MOMO Titan

Have you ever dreamed of real freedom? Then you've just found it - MOMO titanium! It's not just a summer cottage or guest house. It can also be an extra space for you and your family or a fully functional mobile home, which can fit perfectly in your garden or summer place. All this at a great price!

Ergonomic and modern design, together with the latest technological solutions, creates the opportunity to use the accommodation all year round. Great for singles, teens, students, couples, or even families!

Five large windows and an open floor plan not only create a perfect environment to rest but also extra space for a perfect workplace with peace and joy!
